Plywood Cabinet Construction

Decorative Finished End Panels

A HIGHER STANDARD

Superior craftsmanship is the Huntwood standard. That's why we build every cabinet with the extra features some manufacturers offer only as upgrades. Experience the Huntwood difference, quality you'll enjoy for years to come:

- **1/2" Cabinet Sides and Backs** are rabbeted and dadoed together for extra strength.
- **3/4" Solid Hardwood Face Frame** for strength.
- **3/4" Adjustable Shelves** are full-depth for maximum storage.
- **NDure® Melamine Interiors** are easy to clean.
- **Solid Wood Dovetail Drawers.** Bottom is fully captive, dadoed into sides, sub-front and back.
- **Concealed Drawer Guides.** Our standard drawer guide is made of reinforced steel and is full-access.
- **Mortise & Tenon Doors.** 5-piece doors with solid wood frames are glued and pinned for lasting beauty.

"LASTING TOUCH" FINISH

This exclusive 12-Step Huntwood oven-baked catalyzed varnish finish provides a beautiful finish and exceptional durability.

ALSO AVAILABLE:

ELEMENTS FRAMELESS CABINETS

Elements was created for our discerning customers who desire full access in a clean, contemporary design motif. Experience the ultimate in simplicity and functionality with modern, frameless door styles in the latest high-tech materials.
